One Day USA Cycling License	\$10
-----------------------------	------

Registration closes midnight
Friday August 12 (no day of)

A valid USA Cycling license is required to compete in this event.

Check in opens at 9:00am and is open throughout the event. Junior rollout after racing. First rider starts at 10:00am. Start list will be announced day prior by noon. Results are posted after all riders complete and after a 15-minute protest period. Award Ceremony occurs after results are final.

Five-year age categories will be consolidated for any category under four riders

EVENT GUIDELINES

Do not ride on the Hines Park race course while the event is in progress.

Numbers must be worn sideways on the right side of the body and readable from the right side parallel to the road. An ANSI/Snell approved helmet is required. No drafting is allowed.

All riders complete a one lap 20k.

Junior riders must participate in a junior rollout with a USA Cycling event official to receive an official result.

Riders are responsible for being at the start line on time. Riders who miss their start time will be given at the discretion of race officials the following options:

- 1) Continue with the original assigned start time. Rider will start late and in effect have a time penalty.
- 2) Receive a new assigned start time. Rider will receive an accurate time but won't appear in the results/standings. In the timing notes at the bottom of the results, rider elapsed time will appear based on the new assigned time.

The timers will only accept a revised start time affecting results/standings from the chief referee in case of a starting line mishap, or from the event promoter in case of an event mishap.

All USA Cycling rules apply. No drafting at any time.

Rider Conduct:

- On an out-and-back course, riders shall stay to the right of the centerline at all times [disqualification].
- No rider shall take pace behind another rider closer than 25 meters (80 feet) ahead or 2 meters (7 feet) to the side. [A rider who is observed taking pace shall receive a time penalty as specified in Table 1].
- No two riders may ride abreast other than when attempting to pass and such attempts shall not be maintained beyond a distance of 500 meters. An attempt to pass may be repeated an unlimited number of times but each time a challenging rider fails in his attempt, he shall drop back to 25 meters behind the challenged rider before renewing his attempt.

PROTEST PERIOD. Results will be posted after riders have completed. There will be a 15-minute protest period after the final rider completes. Riders may question any results with the USA Cycling Chief Referee. At the end of that time the results will be considered FINAL and the award ceremony will begin. No changes will be made to results after the protest period ends. Rider responsibility to validate finish times prior to leaving the event.
